## Celebrating business leaders who have made outstanding contributions to our community

Established in 1990, the London and District Business Hall of Fame supports the work of JA South Western Ontario. It was created to honour respected members of the London and area business community, past and present, for their outstanding contributions to business, entrepreneurship and philanthropy.

This annual signature gala event showcases the lives of the Inductees allowing us to learn about their achievements and how they have developed and nurtured their legacies.

Proceeds from the event support relevant hands-on learning in financial health, work readiness, and entrepreneurship through JA South Western Ontario.
