SEEKING SILENT AUCTION VOLUNTEERS!

About the Event

The London & District Business Hall of Fame Gala celebrates outstanding business leaders who have made a lasting impact through entrepreneurship, leadership, and philanthropy. As JA South Western Ontario's signature fundraising event, the gala's silent auction helps raise essential funds to deliver programs that inspire the next generation.

Join the Silent Auction Committee

We're looking for enthusiastic volunteers to help secure silent auction donations from local businesses and community members. It's a great opportunity to build connections, give back, and be part of a fun, supportive team.

Flexible & Rewarding

Most volunteer activities can be completed on your own schedule, with approximately four virtual check-in meetings before the event. Help make a meaningful difference while supporting an event that changes young lives.
